

I'm going to dissolve the partnership so call me back when you can please

You can't sit back and expect a paycheck. You can't say you front loaded the contract then dip out. Besides I did a huge part to close the contract, I did the entire due diligence and put the entire BRIX document together. I expected you to do work after we got paid, this isn't a free ride man. [REDACTED] only wants to go forward with me for a reason and I don't know what happened to you. I don't know why you stopped working after getting paid \$750k

Let's work a deal but it won't be 20%
